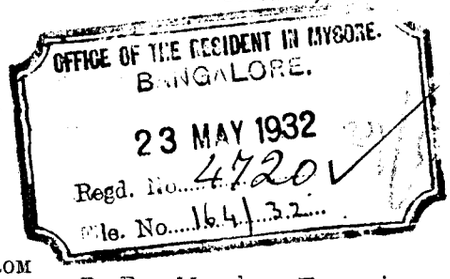
DEPARTMENT OF COMMERCIAL INTELLIGENCE AND STATISTICS, INDIA.

Calcutta, the 19/5/ 1932.



FROM D.B. Meek, Esquire, C.B.E., M.A., D.Sc.,
DIRECTOR-GENERAL OF COMMERCIAL INTELLIGENCE AND STATISTICS,

To

The Secretary to the Hon'ble the Resident in Mysore
Bangalore.

SIR,

FACTORY STATISTICS.

In acknowledging the receipt of the statements relating to the working of the Indian Factories Act in the Civil and Military Station, Bangalore, forwarded with your letter No. 3054 / 164 of 1932, dated the 3rd May, 1932, I have the honour to observe that the statements do not appear to have been compiled separately in respect of "Seasonal" and "Perennial" factories, in accordance with the instructions contained in the Government of India Department of Industries and Labour letter No. L.3008, dated the 23rd December 1931 (copy attached). The natural presumption in this case is that all the factories included therein belong to the Perennial group. I have therefore to request that you will be so good as to let me know whether my presumption is correct.

S.N.3 (2)

I have the honour to be,
Sir,
Your most obedient servant,
G.V. Joshi
for Director-General.

Encl.
J.A.

Copy of letter No.L3008, dated the 23rd December 1931, from the Deputy Secretary to the Government of India, Department of Industries and Labour, New Delhi, to All Local Governments of Governors' Provinces.

Sub:- Factory Statistics.

I am directed to invite a reference to the recommendation made by the Royal Commission on Labour on page 443 of their Report that all the statistical tables relating to factories should be compiled separately in respect of perennial and seasonal factories. Elsewhere in the Report the Commission have proposed that there should be substantial differences in the law governing perennial factories and seasonal factories respectively, and if their proposals are adopted, the complete separation of some, if not all, of the statistical tables will probably prove desirable. So far as the reports for 1931 are concerned, the Government of India are of opinion that if the statistics gave certain particulars separately for perennial and seasonal factories, this might yield additional material of considerable value for the discussion of the Commission's recommendations relating to the revision of the Factories Act. I am to request therefore that, with the permission of His Excellency the Governor in Council, the provincial totals for each item in the present tables may be compiled separately for perennial and for seasonal factories, with grand totals corresponding to the totals in previous reports for all factories. If, in place of this, the local Government prefer to separate the district totals and thus to adopt the Commission's recommendation as it stands, I am to request that grand totals corresponding to the totals in previous reports may also be given.

2. As regards the division between perennial and seasonal factories, the Government of India consider that provisionally all cotton ginning factories, jute presses, tea, coffee, indigo and rubber factories should be treated as seasonal. In addition, any group of factories dealing with agricultural products in the

raw

raw state (e.g., ground nut oil mills) might be treated as seasonal if the majority in that group are normally closed on more than half the days of the year. Classification by groups in this manner should give less trouble in compilation and more valuable results than any endeavour to split up groups according to the number of days worked. If the division is limited to provincial totals, and does not extend to districts all that will be necessary in Statements II and III would be to give under a separate subhead (to be inserted both under "Government and Local Fund Factories" and "All Other Factories") the seasonal groups. In the other statements the addition of two lines or columns giving "Perennial totals" and "seasonal totals" will suffice.

No. 4024. Ext 2. 18th June 1932

From

The Secretary

To

The District Magistrate,
C.& M. Station, Bangalore.

Indian Factories Act- Annual Statements for 1931.

Sir,

I am directed to forward a copy of letter no.6232 dated the 19th May 1932 with enclosure from the Director-General of Commercial Intelligence and Statistics and to enquire whether all the factories included in the statements forwarded with your letter no.2020-B-32 & 20.4.32 belong to the perennial group. If not, I am to request that revised statements of factories classified as 'Perennial' and 'seasonal' in accordance with the instructions in the Govt. of India letter no.3008 dated the 23rd December 1931 may kindly be furnished at an earl date.

I have etc.,

Secretary to the Resident.

27th February 1933
24th March 1933
7th April 1933
23rd May 1933

on the subject noted above I am directed to say that in agreement with the views expressed by the Local Governments the Government of India have decided that the classification of offences in Statement VII of the statistical tables relating to factories should in future be prepared on a subject basis instead of under sections and sub-sections of the Act. I am accordingly to enclose a revised form VII which should be adopted in the Reports commencing with the Report for the year 1933. I am to explain that, subject to the maintenance of the general side heads given in the revised form, the Government of India will have no objection if the local Government wish to add to the form such sub-divisions of the side heads as they may consider necessary or desirable. The sections of the Indian Factories Act, 1911 (XII of 1911) which would naturally fall under each head are indicated below.

1. Employment and hours of work - Sections 8-A, 19, 19 B, 20, 21, 22, 23, 24, 25, 26, 27 and 28.
2. Notices, Registers and Returns - Sections 33, 34, 35, 36 and 38.
3. Safety - Sections 15, 16, 17, 18 and 18A.
4. Health and Sanitation (including welfare) - Sections 9, 10, 11, 12, 13, 14, 19 A and 38 A.
5. Others - Sections 7, 8 and 31. There will in addition, be offences under the rules made by the local

Government

Government under the Act against each of the side heads.

I have the honour to be,

Sir,

Your most obedient servant,

T.C.S. JAYARATNAM,

Deputy Secretary to the Government of India.

No. L1595
Dated New Delhi, the 14th November 1933.

From

E.M.Jenkins, Esquire, I.C.S.,
Deputy Secretary to the Government of India,

To

The Secretary to the Government of Burma,
Judicial Department.

Subject:- Modification of statement VII of the factory statistics.

Sir,

With reference to your letter No.22 V 33 (R.N.477), dated the 23rd October 1933, on the above subject, I am directed to say that the Government of India consider that the simplest way of making their intention clear would be to alter the sub-head "Men" in the first column of the form of Statement VII to "General". Convictions should then be entered under "Women" and "Children" only if they relate to special provisions for the employment of women and children. It is considered unlikely that cases will occur under the special provisions in which both women and children are concerned. I am to express the hope that this will suit the purpose of the local Government for the time being and that the new Factories Bill, if passed, will make it possible to introduce a more satisfactory classification.

I have the honour to be,
Sir,
Your most obedient servant,

E.M. Jenkins,

Deputy Secretary to the Government of India.

Subject:- Modification of statement VII of the factory statistics.

With reference to Mr. Jayaratnam's letter No.L1595, dated the 19th June 1933, on the subject noted above, I am directed to forward, for the information of the Government of India, a copy of letter No. 1900/F-3, dated the 12th October 1933, from the Director of Statistics and Labour Commissioner, Burma, and to say that the Local Government agrees generally with his suggestions regarding the change in the prescribed form for Statement VII to be appended to the annual reports on the working of the Indian Factories Act, 1911. I am to request that, if the Government of India are not willing to authorise the proposed change in the form, permission may kindly be granted to make the change in Burma.
